PROFESSIONAL SUMMARY

Results-driven Product Manager with 8 years of experience in fintech and SaaS. Skilled at translating complex user problems into clear product roadmaps, driving cross-functional alignment, and launching products that generate measurable business impact.

EXPERIENCE

Senior Product Manager

Mar 2020 – Present

Morningstar

- Owned the core portfolio analytics product (ARR \$22M), defining strategy and prioritizing a backlog of 120+ features.
- Launched a new ESG scoring dashboard adopted by 3,400 institutional clients within 6 months of release.
- Reduced time-to-market by 30% by introducing two-week sprint cycles and streamlined discovery processes.

Product Manager

May 2017 – Feb 2020

Enova International

- Spearheaded mobile app redesign that increased DAU by 41% and app store rating from 3.1 to 4.6.
- Conducted 60+ user interviews and synthesized findings into actionable product briefs for engineering teams.
- Partnered with data science to build an A/B testing framework used across 5 product lines.

Business Analyst

Jul 2015 – Apr 2017

Accenture

- Delivered requirements documentation and stakeholder presentations for a \$4M banking modernization project.
- Created process flow diagrams and gap analyses, reducing scope creep by 22%.

EDUCATION

University of Chicago Booth School of Business – 2015

M.B.A.

University of Illinois Urbana-Champaign – 2013

B.S. Economics
